

Attendance and Punctuality

<i>RAG = trend analysis</i>	National 2017	School 2016	School 2017	School 2018
Attendance %	96	94.1	96.5	96.28
PA %	8.3	15.9	9.1	8.6

The three year attendance trend analysis identified that attendance has been above the national average over the last two academic year. Likewise the PA figure gap has now

significantly closed to the national average over the last two academic years. This is now a sustained improvement in attendance.

Behaviour Analysis

<i>RAG = trend analysis</i>	National 2017	School 2016	School 2017	School 2018
FT Exclusions	1.6	1.1	1.1	0
PT Exclusions	1.1	1	0	0
Red card serious incidents (internal)		110	87	71

There has been a significant reduction in behaviour over the last three academic years in regards to Fixed Term and Permanent Exclusions. Internal data (Red cards) also identified that there has been a significant decrease in high level behaviours.
