Dear Parents,

SCHOOL UNIFORM

We look forward to welcoming pupils back in September if government guidance and control of the virus continues to say it is safe to do so.

As a school, Firs Primary is committed to reducing waste. There will be a lot of hardly worn Firs uniforms out there that could be used by others instead of them being thrown away. Uniform includes PE kits, pumps etc.

If you have any uniform in good condition you want to donate to our uniform recycling scheme, please bring it to the school in a **sealed bag*** **between 1pm and 3pm any afternoon between Wednesday 1st July and Friday 10th July.**

We will partner with **Together We Can** who will then organise redistribution of the uniform for a small donation (to further benefit pupils and the community) by setting up street stalls on / near our school car park (details to follow).

This will be a great way to reduce, reuse, and recycle and show how we, as a community, are committed to sustainability.

**Sealed bags will be handled in-line with control measures for CV19 and school's own risk assessment. Those dropping off will be asked to leave items at the gates rather than enter the school property. All clothing will be washed and handled appropriately prior to redistribution.*

Yours sincerely,

D Shakeshaft
