Dear Parents,

CLASSES FROM SEPTEMBER

We want to close the learning gap created by the pandemic and the response to it. We need to make recovery and learning the main things we focus on when pupils come back to school.

From now on, we will mix classes as they move through school each September. We aim to balance the classes in a number of ways to make sure there is parity for pupils and teachers. The thinking will be clearly educational but we take into account individuals, their friendships and their circumstances.

The last keeping in touch calls before the summer break will be from your child's new teacher and there will be a lot of information for you on our school website.

Here are classes and teachers:
